"Agency" means any board, commission, department, officer or other administrative unit of this state, including the agency head and one or more members of the agency head or agency employees or other persons directly or indirectly purporting to act on behalf or under the authority of the agency head, whether created under the Constitution of Arizona or by enactment of the legislature. Agency does not include the legislature, the courts or the governor. Agency does not include a political subdivision of this state or any of the administrative units of a political subdivision, but does include any board, commission, department, officer or other administrative unit created or appointed by joint or concerted action of an agency and one or more political subdivisions of this state or any of their units. To the extent an administrative unit purports to exercise authority subject to this chapter, an administrative unit otherwise qualifying as an agency must be treated as a separate agency even if the administrative unit is located within or subordinate to another agency.
2. "Code" means the Arizona administrative code.
3. "Committee" means the administrative rules oversight committee.
4. "Contested case" means any proceeding, including rate making, price fixing and licensing, in which the legal rights, duties or privileges of a party are required or permitted by law, other than this chapter, to be determined by an agency after an opportunity for an administrative hearing.
5. "Council" means the governor's regulatory review council.
6. "Delegation agreement" means an agreement between an agency and a political subdivision that authorizes the political subdivision to exercise functions, powers or duties conferred on the delegating agency by a provision of law. Delegation agreement does not include intergovernmental agreements entered into pursuant to title 11, chapter 7, article 3.
7. "Emergency rule" means a rule that is made pursuant to section 41-1026.
8. "Fee" means a charge prescribed by an agency for an inspection or for obtaining a license.
9. "Final rule" means any rule filed with the secretary of state and made pursuant to an exemption from this chapter in section 41-1005, made pursuant to section 41-1026, approved by the council pursuant to section 41-1052 or 41-1053 or approved by the attorney general pursuant to section 41-1044. For purposes of judicial review, final rule includes expedited rules pursuant to section 41-1027.
10. "General permit" means a regulatory permit, license or agency authorization that is for facilities, activities or practices in a class that are substantially similar in nature and that is issued or granted by an agency to a qualified applicant to conduct identified operations or activities if the applicant meets the applicable requirements of the general permit, that requires less information than an individual or traditional permit, license or authorization and that does not require a public hearing.
11. "License" includes the whole or part of any agency permit, certificate, approval, registration, charter or similar form of permission required by law, but does not include a license required solely for revenue purposes.
12. "Licensing" includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal or amendment of a license.
13. "Party" means each person or agency named or admitted as a party or properly seeking and entitled as of right to be admitted as a party.
14. "Person" means an individual, partnership, corporation, association, governmental subdivision or unit of a governmental subdivision, a public or private organization of any character or another agency.
15. "Preamble" means:
   (a) For any rule making subject to this chapter, a statement accompanying the rule that includes:
   (i) Reference to the specific statutory authority for the rule.
(ii) The name and address of agency personnel with whom persons may communicate regarding the rule.

(iii) An explanation of the rule, including the agency's reasons for initiating the rule making.

(iv) A reference to any study relevant to the rule that the agency reviewed and either proposes to rely on in its evaluation of or justification for the rule or proposes not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study and any analysis of each study and other supporting material.

(v) The economic, small business and consumer impact summary, or in the case of a proposed rule, a preliminary summary and a solicitation of input on the accuracy of the summary.

(vi) A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this state.

(vii) Such other matters as are prescribed by statute and that are applicable to the specific agency or to any specific rule or class of rules.

(b) In addition to the information set forth in subdivision (a) of this paragraph, for a proposed rule, the preamble also shall include a list of all previous notices appearing in the register addressing the proposed rule, a statement of the time, place and nature of the proceedings for the making, amendment or repeal of the rule and where, when and how persons may request an oral proceeding on the proposed rule if the notice does not provide for one.

(c) In addition to the information set forth in subdivision (a) of this paragraph, for an expedited rule, the preamble also shall include a statement of the time, place and nature of the proceedings for the making, amendment or repeal of the rule and an explanation of why expedited proceedings are justified.

(d) For a final rule, except an emergency rule, the preamble also shall include, in addition to the information set forth in subdivision (a), the following information:

(i) A list of all previous notices appearing in the register addressing the final rule.

(ii) A description of the changes between the proposed rules, including supplemental notices and final rules.

17. "Register" means the Arizona administrative register.

18. "Rule" means an agency statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of an agency. Rule includes prescribing fees or the amendment or repeal of a prior rule but does not include intraagency memoranda that are not delegation agreements.

19. "Rule making" means the process for formulation and finalization of a rule.

20. "Small business" means a concern, including its affiliates, which is independently owned and operated, which is not dominant in its field and which employs fewer than one hundred full-time employees or which had gross annual receipts of less than four million dollars in its last fiscal year. For purposes of a specific rule, an agency may define small business to include more persons if it finds that such a definition is necessary to adapt the rule to the needs and problems of small businesses and organizations.

21. "Substantive policy statement" means a written expression which informs the general public of an agency's current approach to, or opinion of, the requirements of the federal or state constitution, federal or state statute, administrative rule or regulation, or final judgment of a court of competent jurisdiction, including, where appropriate, the agency's current practice, procedure or method of action based upon that approach or opinion. A substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents which only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties, confidential information or rules made in accordance with this chapter.

If the council returns an agency's report, in whole or in part, the council shall inform the agency of the manner in which its report is inadequate and, in consultation with the agency, shall schedule submission of a revised report. The council shall not approve a report unless the report complies with subsection A of this section.

D. The council may review rules outside of the five-year review process if requested by at least four council members.

E. The council may require the agency to propose an amendment or repeal of the rule by a date no earlier than six months after the date of the meeting at which the council considers the agency's report on its rule if the council determines the agency's analysis under subsection A of this section demonstrates that the rule is materially flawed, including that the rule:

1. Is not authorized by statute.
2. Is inconsistent with other statutes, rules or agency enforcement policies and the inconsistency results in a significant burden on the regulated public.
3. Imposes probable costs, including costs to the regulated person, that significantly exceed the probable benefits of the rule within this state.
4. Is more stringent than a corresponding federal law and there is no statutory authority to exceed the requirements of federal law.
5. Is not clear, concise and understandable.
6. Does not use general permits if required under section 41-1037.
7. Does not impose the least burden to persons regulated by the rule as necessary to achieve the underlying regulatory objective of the rule.
8. Does not rely on valid scientific or reliable principles and methods, including a study, if the rule relies on scientific principles or methods, and a person has submitted an analysis under subsection A of this section questioning whether the rule is based on valid scientific or reliable principles or methods. In making a determination of validity or reliability, the council shall consider the factors listed in section 41-1052, subsection G.

F. An agency may request an extension of no longer than one year from the date specified by the council pursuant to subsection E of this section by sending a written request to the council that:
1. Identifies the reason for the extension request.
2. Demonstrates good cause for the extension.

G. The agency shall notify the council of an amendment or repeal of a rule for which the council has set an expiration date under subsection E of this section. If the agency does not amend or repeal the rule by the date specified by the council under subsection E of this section or the extended date under subsection F of this section, the rule automatically expires. The council shall file a notice of rule expiration with the secretary of state and notify the agency of the expiration of the rule.

H. The council may reschedule a report or portion of a report for any rule that is scheduled for review and that was initially made or substantially revised within two years before the due date of the report as scheduled by the council.

I. If an agency finds that it cannot provide the written report to the council by the date it is due, the agency may file an extension with the council before the due date indicating the reason for the extension. The timely filing for an extension permits the agency to submit its report on or before the date prescribed by the council.

J. If an agency fails to submit its report, including a revised report, pursuant to subsection A or C of this section, or file an extension before the due date of the report or if it files an extension and does not submit its report within the extension period, the rules scheduled for review expire and the council shall:
1. Cause a notice to be published in the next register that states the rules have expired and are no longer enforceable.
2. Notify the secretary of state that the rules have expired and that the rules are to be removed from the code.
3. Notify the agency that the rules have expired and are no longer enforceable.

K. If a rule expires as provided in subsection J of this section and the agency wishes to reestablish the rule, the agency shall comply with the requirements of this chapter.

L. Not less than ninety days before the due date of a report, the council shall send a written notice to the head of the agency whose report is due. The notice shall list the rules to be reviewed and the date the report is due.

M. A person who is regulated or could be regulated by an obsolete rule may petition the council to require an agency that has the obsolete rule to consider including the rule in the five-year report with a recommendation for repeal of the rule.

N. A person who is required to obtain or could be required to obtain a license may petition the council to require an agency to consider including a recommendation for reducing a licensing time frame in the five-year report.

§ 41-1056.01. Impact statements; appeals

A. Within two years after a rule is finalized, a person who is or may be affected by the rule may file a written petition with an agency objecting to all or part of a rule on any of the following grounds:
1. The actual economic, small business or consumer impact significantly exceeded the impact estimated in the economic, small business and consumer impact statement submitted during the making of the rule.
2. The actual economic, small business or consumer impact was not estimated in the economic, small business and consumer impact statement submitted during the making of the rule and that actual impact imposes a significant burden on persons subject to the rule.
3. The agency did not select the alternative that imposes the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective.

B. The burden of proof is on the petitioner to show that any of the provisions set forth in subsection A of this section are met.

C. Within thirty days after receiving the copy of the petition, the agency shall reevaluate the rule and its economic impacts and publish notice of the petition in the register. For at least thirty days after publication of the notice the agency shall afford persons the opportunity to submit in writing statements, arguments, data and views on the rule and its impacts. Within thirty days after the close of comment, the agency shall publish a written summary of comments received, the agency's response to those comments, and the final decision of the agency on whether to initiate a rule making or to amend or repeal the rule. The agency shall initiate any such rule making within forty-five days after publication of its final decision.

D. Any person who is or may be affected by the agency's final decision on whether to initiate a rule making pursuant to subsection C of this section may appeal that decision to the council within thirty days after publication of the agency's final decision.

E. The council shall place on its agenda the appeal if at least three council members make such a request of the council chairman within two weeks after the filing of the appeal with the council.

F. If the appeal is placed on the council's agenda, the council chairman shall provide a copy of the appeal and written notice to the agency that the council will consider the appeal. The agency shall provide the council with a copy of the written summary described in subsection C of this section.

G. The council shall require an agency to promptly initiate a rule making or to amend or repeal the rule or the rule package, as prescribed by section 41-1024, subsection E, objected to in the petition if the council finds that any of the provisions set forth in subsection A of this section are met.

H. This section shall not apply to a rule for which there is a final judgment of a court of competent jurisdiction based on the grounds of whether the contents of the economic, small business and consumer impact statement were insufficient or inaccurate.
§ 41-1057. Exemptions
A. In addition to the exemptions stated in section 41-1005, this article does not apply to:
   1. An agency which is a unit of state government headed by a single elected official.
   2. The corporation commission, which shall adopt substantially similar rule review procedures, including the preparation of an economic impact statement and a statement of the effect of the rule on small business.
   4. The Arizona state lottery if making rules that relate only to the design, operation or prize structure of a lottery game.
B. An agency exempt under subsection A of this section may elect to follow the requirements of this article instead of section 41-1044 for a particular rule making. The agency shall include with a final rule making filed with council a statement that the agency has elected to follow the requirements of this article.

ARTICLE 6. ADJUDICATIVE PROCEEDINGS

§ 41-1061. Contested cases; notice; hearing; records
A. In a contested case, all parties shall be afforded an opportunity for hearing after reasonable notice. Unless otherwise provided by law, the notice shall be given at least twenty days prior to the date set for the hearing.
B. The notice shall include:
   1. A statement of the time, place and nature of the hearing.
   2. A statement of the legal authority and jurisdiction under which the hearing is to be held.
   3. A reference to the particular sections of the statutes and rules involved.
   4. A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter upon application a more definite and detailed statement shall be furnished.
C. Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.
D. Unless precluded by law, and except as to claims for compensation and benefits under chapter 6 of title 23, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order or default.
E. The record in a contested case shall include:
   1. All pleadings, motions, interlocutory rulings.
   2. Evidence received or considered.
   3. A statement of matters officially noticed.
   4. Objections and offers of proof and rulings thereon.
   5. Proposed findings and exceptions.
   6. Any decision, opinion or report by the officer presiding at the hearing.
   7. All staff memoranda, other than privileged communications, or data submitted to the hearing officer or members of the agency in connection with their consideration of the case.
F. Oral proceedings or any part thereof shall be recorded manually or by a recording device and shall be transcribed on request of any party, unless otherwise provided by law. The cost of such transcript shall be paid by the party making the request, unless otherwise provided by law or unless assessment of the cost is waived by the agency.
G. Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

§ 41-1062. Hearings; evidence; official notice; power to require testimony and records; rehearing
A. Unless otherwise provided by law, in contested cases the following shall apply:
   1. A hearing may be conducted in an informal manner and without adherence to the rules of evidence required in judicial proceedings. Neither the manner of conducting the hearing nor the failure to adhere to the rules of evidence required in judicial proceedings shall be grounds for reversing any administrative decision or order providing the evidence supporting such decision or order is substantial, reliable, and probative. Irrelevant, immaterial or unduly repetitious evidence shall be excluded. Every person who is a party to such proceedings shall have the right to be represented by counsel, to submit evidence in open hearing and shall have the right of cross-examination. Unless otherwise provided by law, hearings may be held at any place determined by the agency.
   2. Copies of documentary evidence may be received in the discretion of the presiding officer. Upon request, parties shall be given an opportunity to compare the copy with the original.
   3. Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency’s specialized knowledge. Parties shall be notified either before or during the hearing or by reference in preliminary reports or otherwise of the material noticed including any staff memoranda or data and they shall be afforded an opportunity to contest the material so noticed. The agency’s experience, technical competence and specialized knowledge may be utilized in the evaluation of the evidence.
   4. The officer presiding at the hearing may cause to be issued subpoenas for the attendance of witnesses and for the production of books, records, documents and other evidence and shall have the power to administer oaths. Unless otherwise provided by law or agency rule, subpoenas so issued shall be served and, upon application to the court by a party or the agency, enforced in the manner provided by law for the service and enforcement of subpoenas in a civil action. On application of a party or the agency and for use as evidence, the officer presiding at the hearing may permit a deposition to be taken, in the manner and upon the terms designated by him, of a witness who cannot be subpoenaed or is unable to attend the hearing. Prehearing depositions and subpoenas for the production of documents may be ordered by the officer presiding at the hearing, provided that the party seeking such discovery demonstrates that the party has reasonable need of the deposition testimony or materials being sought. All provisions of law compelling a person under subpoena to testify are applicable. Fees for attendance as a witness shall be the same as for a witness in the superior courts of the state of Arizona, unless otherwise provided by law or agency rule. Notwithstanding the provisions of section 12-2212, no sub-
poenas, depositions or other discovery shall be permitted in contested cases except as provided by agency rule or this paragraph.

B. Except when good cause exists otherwise, the agency shall provide an opportunity for a rehearing or review of the decision of an agency before such decision becomes final. Such rehearing or review shall be governed by agency rule drawn as closely as practicable from rule 59, Arizona rules of civil procedure, relating to new trial in superior court.

§ 41-1063. Decisions and orders
Unless otherwise provided by law, any final decision or order adverse to a party in a contested case shall be in writing or stated in the record. Any final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. Unless otherwise provided by law, parties shall be notified either personally or by mail to their last known address of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith to each party and to his attorney of record.

§ 41-1064. Licenses; renewal; revocation; suspension; annulment; withdrawal
A. When the grant, denial or renewal of a license is required to be preceded by notice and an opportunity for a hearing, the provisions of this article concerning contested cases apply.
B. When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.
C. No revocation, suspension, annulment or withdrawal of any license is lawful unless, prior to the action, the agency provides the licensee with notice and an opportunity for a hearing in accordance with this chapter. If the agency finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

§ 41-1065. Hearing on denial of license or permit
Proceedings for licenses or permits on application when not required by law to be preceded by notice and opportunity for hearing shall be governed by the provisions of the law relating to the particular agency, provided that when an application for a license or permit is denied under the provisions of the law relating to a particular agency the applicant shall be entitled to have a hearing before such agency on such denial upon filing within fifteen days after receipt of notice of such refusal a written application for such hearing. Notice shall be given in the manner prescribed by section 41-1061. At such hearing such applicant shall be the moving party and have the burden of proof. Such hearing shall be conducted in accordance with this article for hearing of a contested case before an agency. Such hearing before such agency shall be limited to those matters originally presented to the agency for its determination on such application.

§ 41-1066. Compulsory testimony; privilege against self-incrimination
A. A person may not refuse to attend and testify or produce evidence sought by an agency in an action, proceeding or investigation instituted by or before the agency on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture unless it constitutes the compelled testimony or the private papers of the person which would be privileged evidence either pursuant to the fifth amendment of the Constitution of the United States or article II, section 10, Constitution of Arizona, and the person claims the privilege prior to the production of the testimony or papers.
B. If a person asserts his privilege against self-incrimination and the agency seeks to compel production of the testimony or documents sought, it may, with the prior written approval of the attorney general, issue a written order compelling the testimony or production of documents in proceedings and investigations before the agency or apply to the appropriate court for such an order in other actions or proceedings.
C. Evidence produced pursuant to subsection B is not admissible in evidence or usable in any manner in a criminal prosecution, except for perjury, false swearing, tampering with physical evidence or any other offense committed in connection with the appearance made pursuant to this section against the person testifying or the person producing his private papers.

ARTICLE 7. MILITARY ADMINISTRATIVE RELIEF

§ 41-1071. Military relief from administrative procedures; process
At any stage, any action or proceeding before any state agency, board, commission or administrative tribunal involving a person on active duty in the military service of the United States or this state as a necessary party, which occurs during such period of service or within sixty days thereafter, may be stayed in the discretion of the state administrative entity before which it is pending, on its own motion. The state administrative entity shall not stay an action or proceeding on its own motion if the service member makes a written objection to the stay. Such action or proceeding shall be stayed on application to the state administrative entity by such person or some person on his behalf, unless in the written decision of the state administrative entity, the ability of the service member to pursue the claim or defense in the action or proceeding is not prejudiced by the military service.

ARTICLE 7.1 LICENSING TIME FRAMES

§ 41-1072. Definitions
In this article, unless the context otherwise requires:
1. "Administrative completeness review time frame" means the number of days from agency receipt of an application for a license until an agency determines that the application contains all components required by statute or rule, including all information required to be submitted by other government agencies. The administrative completeness review time frame does not include the period of time during which an agency provides public notice of the license application or performs a substantive review of the application.
2. "Overall time frame" means the number of days after receipt of an application for a license during which an agency determines whether to grant or deny a license.
The overall time frame consists of both the administrative completeness review time frame and the substantive review time frame.

3. "Substantive review time frame" means the number of days after the completion of the administrative completeness review time frame during which an agency determines whether an application or applicant for a license meets all substantive criteria required by statute or rule. Any public notice and hearings required by law shall fall within the substantive review time frame.

§ 41-1073. Time frames; exception
A. No later than December 31, 1998, an agency that issues licenses shall have in place final rules establishing an overall time frame during which the agency will either grant or deny each type of license that it issues. Agencies shall submit their overall time frame rules to the governor's regulatory review council pursuant to the schedule developed by the council. The council shall schedule each agency's rules so that final overall time frame rules are in place no later than December 31, 1998. The rule regarding the overall time frame for each type of license shall state separately the administrative completeness review time frame and the substantive review time frame.

B. If a statutory licensing time frame already exists for an agency but the statutory time frame does not specify separate time frames for the administrative completeness review and the substantive review, by rule the agency shall establish separate time frames for the administrative completeness review and the substantive review, which together shall not exceed the statutory overall time frame. An agency may establish different time frames for initial licenses, renewal licenses and revisions to existing licenses.

C. The submission by the department of environmental quality of a revised permit to the United States environmental protection agency in response to an objection by that agency shall be given the same effect as a notice granting or denying a permit application for licensing time frame purposes. For the purposes of this subsection, "permit" means a permit required by title 49, chapter 2, article 3.1 or section 49-426.

D. In establishing time frames, agencies shall consider all of the following:
1. The complexity of the licensing subject matter.
2. The resources of the agency granting or denying the license.
3. The economic impact of delay on the regulated community.
4. The impact of the licensing decision on public health and safety.
5. The possible use of volunteers with expertise in the subject matter area.
6. The possible increased use of general licenses for similar types of licensed businesses or facilities.
7. The possible increased cooperation between the agency and the regulated community.
8. Increased agency flexibility in structuring the licensing process and personnel.

E. This article does not apply to licenses issued either:
1. Pursuant to tribal state gaming compacts.
2. Within seven days after receipt of initial application.
3. By a lottery method.

§ 41-1074. Compliance with administrative completeness review time frame
A. An agency shall issue a written notice of administrative completeness or deficiencies to an applicant for a license within the administrative completeness review time frame.

B. If an agency determines that an application for a license is not administratively complete, the agency shall include a comprehensive list of the specific deficiencies in the written notice provided pursuant to subsection A. If the agency issues a written notice of deficiencies within the administrative completeness time frame, the administrative completeness review time frame and the overall time frame are suspended from the date the notice is issued until the date that the agency receives the missing information from the applicant.

C. If an agency does not issue a written notice of administrative completeness or deficiencies within the administrative completeness review time frame, the application is deemed administratively complete. If an agency issues a timely written notice of deficiencies, an application shall not be complete until all requested information has been received by the agency.

§ 41-1075. Compliance with substantive review time frame
A. During the substantive review time frame, an agency may make one comprehensive written request for additional information. The agency and applicant may mutually agree in writing to allow the agency to submit supplemental requests for additional information. If an agency issues a comprehensive written request or a supplemental request by mutual written agreement for additional information, the substantive review time frame and the overall time frame are suspended from the date the request is issued until the date that the agency receives the additional information from the applicant.

B. By mutual written agreement, an agency and an applicant for a license may extend the substantive review time frame and the overall time frame. An extension of the substantive review time frame and the overall time frame may not exceed twenty-five per cent of the overall time frame.

§ 41-1076. Compliance with overall time frame
Unless an agency and an applicant for a license mutually agree to extend the substantive review time frame and the overall time frame pursuant to section 41-1075, an agency shall issue a written notice granting or denying a license within the overall time frame to an applicant. If an agency denies an application for a license, the agency shall include in the written notice at least the following information:

1. Justification for the denial with references to the statutes or rules on which the denial is based.
2. An explanation of the applicant's right to appeal the denial. The explanation shall include the number of days in which the applicant must file a protest challenging the denial and the name and telephone number of an agency contact person who can answer questions regarding the appeals process.

§ 41-1077. Consequence for agency failure to comply with overall time frame; refund; penalty
A. If an agency does not issue to an applicant the written notice granting or denying a license within the overall time frame or within the time frame extension pursuant to section 41-1075, the agency shall refund to the applicant all fees
charged for reviewing and acting on the application for the license and shall excuse payment of any such fees that have not yet been paid. The agency shall not require an applicant to submit an application for a refund pursuant to this subsection. The refund shall be made within thirty days after the expiration of the overall time frame or the time frame extension. The agency shall continue to process the application subject to subsection B of this section. Notwithstanding any other statute, the agency shall make the refund from the fund in which the application fees were originally deposited. This section applies only to license applications that were subject to substantive review.

B. Except for license applications that were not subject to substantive review, the agency shall pay a penalty to the state general fund for each month after the expiration of the overall time frame or the time frame extension until the agency issues written notice to the applicant granting or denying the license. The agency shall pay the penalty from the agency fund in which the application fees were originally deposited. The penalty shall be two and one-half per cent of the total fees received by the agency for reviewing and acting on the application for each license that the agency has not granted or denied on the last day of each month after the expiration of the overall time frame or time frame extension for that license.

§ 41-1079. Information required to be provided
A. An agency that issues licenses shall provide the following information to an applicant at the time the applicant obtains an application for a license:
1. A list of all of the steps the applicant is required to take in order to obtain the license.
2. The applicable licensing time frames.
3. The name and telephone number of an agency contact person who can answer questions or provide assistance throughout the application process.

B. This section does not apply to the Arizona peace officer standards and training board established by section 41-1821.

ARTICLE 7.2 LICENSING ELIGIBILITY

§ 41-1080. Licensing eligibility; authorized presence; documentation; applicability; definitions
A. Subject to subsections C and D of this section, an agency or political subdivision of this state shall not issue a license to an individual if the individual does not provide documentation of citizenship or alien status by presenting any of the following documents to the agency or political subdivision indicating that the individual's presence in the United States is authorized under federal law:
1. An Arizona driver license issued after 1996 or an Arizona nonoperating identification license.
2. A driver license issued by a state that verifies lawful presence in the United States.
3. A birth certificate or delayed birth certificate issued in any state, territory or possession of the United States.
5. A United States passport.
6. A foreign passport with a United States visa.
7. An I-94 form with a photograph.
8. A United States citizenship and immigration services employment authorization document or refugee travel document.
10. A United States certificate of citizenship.
11. A tribal certificate of Indian blood.
12. A tribal or bureau of Indian affairs affidavit of birth.
13. Any other license that is issued by the federal government, any other state government, an agency of this state or a political subdivision of this state that requires proof of citizenship or lawful alien status before issuing the license.

B. This section does not apply to an individual if either:
1. Both of the following apply:
   (a) The individual is a citizen of a foreign country or, if at the time of application, the individual resides in a foreign country.
   (b) The benefits that are related to the license do not require the individual to be present in the United States in order to receive those benefits.
2. All of the following apply:
   (a) The individual is a resident of another state.
   (b) The individual holds an equivalent license in that other state and the equivalent license is of the same type being sought in this state.
   (c) The individual seeks the Arizona license to comply with this state's licensing laws and not to establish residency in this state.

C. If, pursuant to subsection A of this section, an individual has affirmatively established citizenship of the United States or a form of nonexpiring work authorization issued by the federal government, the individual, on renewal or reinstatement of a license, is not required to provide subsequent documentation of that status.

D. If, on renewal or reinstatement of a license, an individual holds a limited form of work authorization issued by the federal government that has expired, the individual shall provide documentation of that status.

E. If a document listed in subsection A, paragraphs 1 through 12 of this section does not contain a photograph of the individual, the individual shall also present a government issued document that contains a photograph of the individual.

F. For the purposes of this section:
1. "Agency" means any agency, department, board or commission of this state or any political subdivision of this state that issues a license for the purposes of operating a business in this state or to an individual who provides a service to any person.
2. "License" means any agency permit, certificate, approval, registration, charter or similar form of authorization that is required by law and that is issued by any agency for the purposes of operating a business in this state or to an individual who provides a service to any person where the license is necessary in performing that service.

ARTICLE 8. DELEGATION OF FUNCTIONS, POWERS OR DUTIES

§ 41-1081. Standards for delegation
A. No agency may enter into or amend any delegation agreement unless the delegation agreement clearly sets forth all of the following:
1. Each function, power or duty being delegated by the agency, the term of the agreement and the procedures for terminating the agreement.
2. The standards of performance required to fulfill the agreement.
3. The types of fees that will be imposed on regulated parties and the legal authority for imposing any such fees.

4. The qualifications of the personnel of the political subdivision responsible for exercising the delegated functions, powers or duties.

5. Record keeping and reporting requirements.

6. Auditing requirements if the delegation agreement includes the transfer of funds from the delegating agency to the political subdivision.

7. A definition of the enforcement role if enforcement authority is being delegated.

8. Procedures for resolving conflicts between the parties to the delegation agreement.

10. The names and addresses of primary contact persons at both the delegating agency and the political subdivision.

B. An agency that seeks to delegate functions, powers or duties shall file with the secretary of state a summary of the proposed delegation agreement. The summary shall provide the name of a person to contact in the agency with questions or comments and shall state that a copy of the proposed delegation agreement may be obtained upon request from the agency. The secretary of state shall publish the summary in the next register.

C. For at least thirty days after publication of the notice of the proposed delegation agreement in the register, the agency shall provide persons the opportunity to submit in writing statements, arguments, data and views on the proposed delegation agreement and shall provide an opportunity for a public hearing if there is sufficient public interest.

D. A public hearing on the delegation agreement shall not be held earlier than thirty days after the notice of its location and time is published in the register. The agency shall determine a location and time for the public hearing that affords a reasonable opportunity for persons to participate. At that public hearing persons may present oral argument, data and views on the proposed delegation agreement.

E. After the conclusion of the public comment period and hearing, if any, the agency shall prepare a written summary, responding to the comments received, whether oral or written. The agency shall consider the comments received from the public in determining whether to enter into the proposed delegation agreement. The agency shall give written notice to those persons who submitted comments of the agency’s decision on whether to enter into the proposed delegation agreement. The delegation agreement is effective thirty days after written notice of the agency’s final decision is given unless an appeal is filed and pending before the council pursuant to subsection F.

F. A person who filed comments with the delegating agency objecting to all or part of the proposed delegation agreement may appeal to the council the delegating agency’s decision to enter into the delegation agreement within thirty days after the agency gives written notice to enter into the delegation agreement pursuant to subsection E. The council shall place the appeal of the delegation agreement on its next meeting agenda if at least three council members make such a request of the council chairman within two weeks of the filing of the appeal.

G. Delegation agreements that are appealed to and considered by the council shall become effective upon council approval of the delegation agreement. Delegation agreements that are appealed to the council and not considered by the council are effective either thirty days after written notice of the agency’s final decision is given pursuant to subsection E, or two weeks after an appeal is filed if at least three council members do not request council consideration of the delegation agreement pursuant to subsection F, whichever date is later.

H. The council shall not approve the delegation agreement if it does not meet the provisions set forth in subsection A or if the agency has not provided adequate notice and an opportunity for comment to the public.

§ 41-1082. Existing delegation agreements
A. By January 1, 1995, each state agency shall compile and make public a list of all delegation agreements that it has entered into with political subdivisions and a list of all subdelegation agreements to the delegation agreements. Upon request and for a reasonable cost, a person may obtain a copy of any delegation agreement on the list.

B. By January 1, 1996, each state agency shall amend, if necessary, any delegation agreement entered into prior to the effective date of this article to conform with criteria set forth in section 41-1081, subsection A.

§ 41-1083. No presumption of funding authority
No political subdivision may assess any fee, tax or other assessment in the exercise of its delegated authorities pursuant to any delegation agreement unless the delegation agreement specifically authorizes the fee, tax or other assessment or the political subdivision is otherwise authorized by law to impose the fee, tax or other assessment.

§ 41-1084. Prohibition on subdelegation
No political subdivision that exercises delegated authority pursuant to a delegation agreement may subdelegate its delegated authority to another agency or political subdivision without first notifying the delegating agency.

ARTICLE 9. SUBSTANTIVE POLICY STATEMENTS

§ 41-1091. Substantive policy statements; directory
A. An agency shall file substantive policy statements pursuant to section 41-1013, subsection B.

B. An agency shall ensure that the first page of each substantive policy statement includes the following notice: This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona administrative procedure act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under section 41-1033, Arizona Revised Statutes, for a review of the statement.

A notice of appeal or request for a hearing also may be filed by a party who will be adversely affected by the appealable agency action or contested case and who exercised any right provided by law to comment on the action being appealed or contested, provided that the grounds for the notice of appeal or request for a hearing are limited to issues raised in that party's comments. The notice of appeal or request for a hearing shall identify the party, the party's address, the agency and the action being appealed or contested and shall contain a concise statement of the reasons for the appeal or request for a hearing. 2. Is not required by law, other than this chapter, to provide an opportunity for an administrative hearing before taking action that determines the legal rights, duties or privileges of an applicant for a license.

§ 41-1092.04. Service of documents

Unless otherwise provided in this article, every notice or decision under this article shall be served by personal delivery or certified mail, return receipt requested, or by any other method reasonably calculated to effect actual notice on the agency and every other party to the action to the party's last address of record with the agency. Each party shall inform the agency and the office of any change of address within five days of the change.

B. Hearings for appealable agency actions of or contested cases with self-supporting regulatory boards that meet quarterly or less frequently shall be held at the next meeting of the board after the board receives the written decision of an administrative law judge or the issuance of the notice of hearing, except that:

1. If the decision of the administrative law judge is received or the notice of hearing is issued within thirty days before the board meets, the hearing shall be held at the following meeting of the board.

2. If good cause is shown, the hearing may be held at a later meeting of the board.

C. The date scheduled for the hearing may be advanced or delayed on the agreement of the parties or on a showing of good cause.

D. The agency shall prepare and serve a notice of hearing on all parties to the appeal or contested case at least thirty days before the hearing. The notice shall include:

1. A statement of the time, place and nature of the hearing.

2. A statement of the legal authority and jurisdiction under which the hearing is to be held.

3. A reference to the particular sections of the statutes and rules involved.

4. A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. After the initial notice and on application, a more definite and detailed statement shall be furnished.

E. Notwithstanding subsection D, a hearing shall be expedited as provided by law or upon a showing of extraordinary cir-
cumstances or the possibility of irreparable harm if the parties to the appeal or contested case have actual notice of the hearing date. Any party to the appeal or contested case may file a motion with the director asserting the party's right to an expedited hearing. The right to an expedited hearing shall be listed on any abatement order. The Arizona health care cost containment system administration may file a motion with every member grievance and eligibility appeal that cites federal law and that requests that a hearing be set within thirty days after the motion is filed.

F. Prehearing conferences may be held to:
1. Clarify or limit procedural, legal or factual issues.

If an informal settlement conference is requested, the agency shall notify the office of the request and the outcome of the conference, except as provided in section 41-1092.01, subsection F. The request for an informal settlement conference does not toll the sixty day period in which the administrative hearing is to be held pursuant to section 41-1092.05.

B. If an informal settlement conference is held, a person with the authority to act on behalf of the agency must represent the agency at the conference. The agency representative shall notify the appellant in writing that statements, either written or oral, made by the appellant at the conference, including a written document, created or expressed solely for the purpose of settlement negotiations are inadmissible in any subsequent administrative hearing. The parties participating in the settlement conference shall waive their right to object to the participation of the agency representative in the final administrative decision.

§ 41-1092.07. Hearings

A. A party to a contested case or appealable agency action may file a nonperemptory motion with the director to disqualify an office administrative law judge from conducting a hearing for bias, prejudice, personal interest or lack of technical expertise necessary for a hearing.

B. The parties to a contested case or appealable agency action have the right to be represented by counsel or to proceed without counsel, to submit evidence and to cross-examine witnesses.

C. The administrative law judge may issue subpoenas to compel the attendance of witnesses and the production of documents. The subpoenas shall be served and, on application to the superior court, enforced in the manner provided by law for the service and enforcement of subpoenas in civil matters. The administrative law judge may administer oaths and affirmations to witnesses.

D. All parties shall have the opportunity to respond and present evidence and argument on all relevant issues. All relevant evidence is admissible, but the administrative law judge may exclude evidence if its probative value is outweighed by the danger of unfair prejudice, by confusion of the issues or by considerations of undue delay, waste of time or needless presentation of cumulative evidence. The administrative law judge shall exercise reasonable control over the manner and order of cross-examining witnesses and presenting evidence to make the cross-examination and presentation effective for ascertaining the truth, avoiding needless consumption of time and protecting witnesses from harassment or undue embarrassment.

E. All hearings shall be recorded. The administrative law judge shall secure either a court reporter or an electronic means of producing a clear and accurate record of the proceeding at the agency's expense. Any party that requests a transcript of the proceeding shall pay the costs of the transcript to the court reporter or other transcriber.

F. Unless otherwise provided by law, the following apply:
1. A hearing may be conducted in an informal manner and without adherence to the rules of evidence required in judicial proceedings. Neither the manner of conducting the hearing nor the failure to adhere to the rules of evidence required in judicial proceedings is grounds for reversing any administrative decision or order if the evidence supporting the decision or order is substantial, reliable and probative.
2. Copies of documentary evidence may be received in the discretion of the administrative law judge. On request, parties shall be given an opportunity to compare the copy with the original.
3. Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing or by reference in preliminary reports or otherwise of the material noticed including any staff memoranda or data and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence and specialized knowledge may be used in the evaluation of the evidence.
4. On application of a party or the agency and for use as evidence, the administrative law judge may permit a deposition to be taken, in the manner and on the terms designated by the administrative law judge, of a witness who cannot be subpoenaed or who is unable to attend the hearing. Subpoenas for the production of documents may be ordered by the administrative law judge if the party seeking the discovery demonstrates that the party has reasonable need of the materials being sought. All provisions of law compelling a person under subpoena to testify are applicable. Fees for attendance as a witness shall be the same as for a witness in court, unless otherwise provided by law or agency rule. Notwithstanding section 12-2212, subpoenas, depositions or other discovery shall not be permitted except as provided by this paragraph or subsection C of this section.
5. Informal disposition may be made by stipulation, agreed settlement, consent order or default.
6. Findings of fact shall be based exclusively on the evidence and on matters officially noticed.
§ 41-1092.08. Final administrative decisions; review

A. The administrative law judge of the office shall issue a written decision within twenty days after the hearing is concluded. The written decision shall contain a concise explanation of the reasons supporting the decision. The administrative law judge shall serve a copy of the decision on the agency. Upon request of the agency, the office shall also transmit to the agency the record of the hearing as described in section 12-904, except as provided in section 41-1092.01, subsection F.

B. Within thirty days after the date the office sends a copy of the administrative law judge's decision to the head of the agency, executive director, board or commission, the head of the agency, executive director, board or commission may review the decision and accept, reject or modify it. If the head of the agency, executive director, board or commission declines to review the administrative law judge's decision, the agency shall serve a copy of the decision on all parties. If the head of the agency, executive director, board or commission rejects or modifies the decision the agency head, executive director, board or commission must file with the office, except as provided in section 41-1092.01, subsection F, and serve on all parties a copy of the administrative law judge's decision with the rejection or modification and a written justification setting forth the reasons for the rejection or modification.

C. A board or commission whose members are appointed by the governor may review the decision of the agency head, as provided by law, and make the final administrative decision.

D. Except as otherwise provided in this subsection, if the head of the agency or a board or commission does not accept, reject or modify the administrative law judge's decision within thirty days after the date the office sends a copy of the administrative law judge's decision to the head of the agency, executive director, board or commission, as evidenced by receipt of such action by the office by the thirtieth day the office shall certify the administrative law judge's decision as the final administrative decision. If the board or commission meets monthly or less frequently, if the office sends the administrative law judge's decision at least thirty days before the next meeting of the board or commission and the board or commission does not accept, reject or modify the administrative law judge's decision at the next meeting of the board or commission, as evidenced by receipt of such action by the office within five days after the meeting the office shall certify the administrative law judge's decision as the final administrative decision.

E. For the purposes of subsections B and D of this section, a copy of the administrative law judge's decision is sent on personal delivery of the decision or five days after the decision is mailed to the head of the agency, executive director, board or commission.

F. The decision of the agency head is the final administrative decision unless either:
   1. The agency head, executive director, board or commission does not review the administrative law judge's decision pursuant to subsection B of this section or does not reject or modify the administrative law judge's decision as provided in subsection D of this section, in which case the administrative law judge's decision is the final administrative decision.
   2. The decision of the agency head is subject to review pursuant to subsection C of this section.

G. If a board or commission whose members are appointed by the governor makes the final administrative decision as an administrative law judge or upon review of the decision of the agency head, the decision is not subject to review by the head of the agency.

H. A party may appeal a final administrative decision pursuant to title 12, chapter 7, article 6, except as provided in section 41-1092.09, subsection B and except that if a party has not requested a hearing upon receipt of a notice of appealable agency action pursuant to section 41-1092.03, the appealable agency action is not subject to judicial review.

I. This section does not apply to the Arizona peace officer standards and training board established by section 41-1821.

§ 41-1092.09. Rehearing or review

A. Except as provided in subsection B of this section:
   1. A party may file a motion for rehearing or review within thirty days after service of the final administrative decision.
   2. The opposing party may file a response to the motion for rehearing within fifteen days after the date the motion for rehearing is filed.
   3. After a hearing has been held and a final administrative decision has been entered pursuant to section 41-1092.08, a party is not required to file a motion for rehearing or review of the decision in order to exhaust the party's administrative remedies.

B. A party to an appealable agency action of or contested case with a self-supporting regulatory board shall exhaust the party's administrative remedies by filing a motion for rehearing or review within thirty days after the service of the administrative decision that is subject to rehearing or review in order to be eligible for judicial review pursuant to section 12, chapter 7, article 6. The board shall notify the parties in the administrative decision that is subject to rehearing or review that a failure to file a motion for rehearing or review within thirty days after service of the decision has the effect of prohibiting the parties from seeking judicial review of the board's decision.

C. Service is complete on personal service or five days after the date that the final administrative decision is mailed to the party's last known address.
D. Except as provided in this subsection, the agency head, executive director, board or commission shall rule on the motion within fifteen days after the response to the motion is filed or, if a response is not filed, within five days of the expiration of the response period. A self-supporting regulatory board shall rule on the motion within fifteen days after the response to the motion is filed or at the board's next meeting after the motion is received, whichever is later.

§ 41-1092.10. Compulsory testimony; privilege against self-incrimination
A. A person may not refuse to attend and testify or produce evidence sought by an agency in an action, proceeding or investigation instituted by or before the agency on the ground that the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture unless it constitutes the compelled testimony or the private papers of the person that would be privileged evidence either pursuant to the fifth amendment of the Constitution of the United States or article II, section 10, Constitution of Arizona, and the person claims the privilege before the production of the testimony or papers.
B. If a person asserts the privilege against self-incrimination and the agency seeks to compel production of the testimony or documents sought, the office or agency as provided in section 41-1092.01, subsection F may issue, with the prior written approval of the attorney general, a written order compelling the testimony or production of documents in proceedings and investigations before the office or agency as provided in section 41-1092.01, subsection F or apply to the appropriate court for such an order in other actions or proceedings.
C. Evidence produced pursuant to subsection B of this section is not admissible in evidence or usable in any manner in a criminal prosecution, except for perjury, false swearing, tampering with physical evidence or any other offense committed in connection with the appearance made pursuant to this section against the person testifying or the person producing the person's private papers.

§ 41-1092.11. Licenses; renewal; revocation; suspension; annulment; withdrawal
A. If a licensee makes timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.
B. Revocation, suspension, annulment or withdrawal of any license is not lawful unless, before the action, the agency provides the licensee with notice and an opportunity for a hearing in accordance with this article. If the agency finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, the agency may order summary suspension of a license pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

§ 41-1092.12. Private right of action; recovery of costs and fees; definitions
A. If an agency takes an action against a party that is arbitrary, capricious or not in accordance with law, the action is an appealable agency action if all of the following apply:
1. Within ten days after the action that is arbitrary, capricious or not in accordance with law, the party notifies the director of the agency in writing of the party's intent to file a claim pursuant to this section. This notice shall include a description of the action the party claims to be arbitrary, capricious or not in accordance with law and reasons why the action is arbitrary, capricious or not in accordance with law.
2. The agency continues the action that is arbitrary, capricious or not in accordance with law more than ten days after the agency receives the notice.
3. The action is not excluded from the definition of appealable agency action as defined in section 41-1092.
B. This section only applies if an administrative remedy or an administrative or a judicial appeal of final agency action is not otherwise provided by law.
C. If the party prevails, the agency shall pay reasonable costs and fees to the party from any monies appropriated to the agency and available for that purpose or from other operating monies of the agency. If the agency fails or refuses to pay the award within fifteen days after the demand, and if no further review or appeal of the award is pending, the prevailing party may file a claim with the department of administration. The department of administration shall pay the claim within thirty days in the same manner as an uninsured property loss under title 41, chapter 3.1, article 1, except that the agency is responsible for the total amount awarded and shall pay it from its operating monies. If the agency had appropriated monies available for paying the award at the time it failed or refused to pay, the legislature shall reduce the agency's operating appropriation for the following fiscal year by the amount of the award and shall appropriate that amount to the department of administration as reimbursement for the loss.
D. If the administrative law judge determines that the appealable agency action is frivolous, the administrative law judge may require the party to pay reasonable costs and fees to the agency in responding to the appeal filed before the office of administrative hearings.
